

*The World Chief Guide*

*Robert Baden-Powell*

---

*Challenge*

*to the boys and girls of the world*

Just one more test passed for gaining a badge

Just one more recruit to join up with your Patrol

Just one more Guider and Scouter to be found, for

Just one more Scout Troop and Guide Company and Pack and Flock

Just one more helper and supporter and member of the fellowship of Former Scouts and Guides

and then - above all -

Just one more kind thought and prayer that the Spirit of Guiding and Scouting may spread far and wide throughout the world.
